

BIOGRAPHIE RESUMEE DU CAPITAINE DE VAISSEAU HELLO

Entré à l'Ecole navale en 1980, breveté de l'enseignement militaire supérieur, 3^{ème} promotion du CID, le CV Hello a principalement servi au sein des forces de surface et des états-majors embarqués. Il a commandé quatre bâtiments de combat. Chargé pendant trois ans de programmes d'équipement à l'état-major de la marine, il a également participé à deux armements et a été le premier commandant du bâtiment de projection et de commandement Tonnerre jusqu'à l'été 2007.

Graduated from the french naval academy in 1983, and from the Command and General Staff College, third session of the Joint Defense College, Captain Hello spent most of his career in the surface fleet and the maritime battle staff. He took command of four french combattants. He also worked in the naval procurement during three years and was involved in the commissioning process of two new ships including FS Tonnerre. He has been the first commanding officer of this new projection and command platform up to summer 2007.
